**A note from the family of IHMS Scholarship recipient Kathryn Kennedy,
a piano student of Christina Dietrich ...**

"Kathryn is 17 years old and has been a piano student at IHM for 10 years. Being an IHM student means so much more than learning an instrument. She has been able to explore the depth and theory of piano music and the works of many composers. The unique performance opportunities available are avenues for tremendous growth and maturity. Kathryn has 4 other siblings studying music at IHM, and we thank you for the scholarship that has allowed us this opportunity. There is nothing like it! Thank you very much!" – The Kennedy Family
