

STUDENT GUIDE TO INDIAN HILL MUSIC'S 2009-10 CONCERT SERIES

At Indian Hill Music School, we believe that experiencing live music is an important part of your music education! One of the benefits you receive as a student is **free** or **reduced price admission** to all of our concerts.

By attending concerts you have the opportunity to see and hear your instrument played; understand how your instrument contributes to an ensemble; and broaden your knowledge and appreciation of musical styles, composers and works. In some cases, you will see and hear your teacher or fellow students perform with a professional ensemble or The Orchestra of Indian Hill. We are confident that you will find all of our concerts engaging and inspiring. We invite you to see how all the musicians come together under the leadership of Artistic Director, Bruce Hangen, and create stellar performances. Come and enjoy!
